Medal for Spoon Design.

Timpson, Tex.. Miss Lucile Webb Banks, daughter of the Confederate veteran Capt. R. W. Banks, of this city, was awarded a medal at the St. Louis Exposition for her clever work in designing a Confederate souvenir spoon.

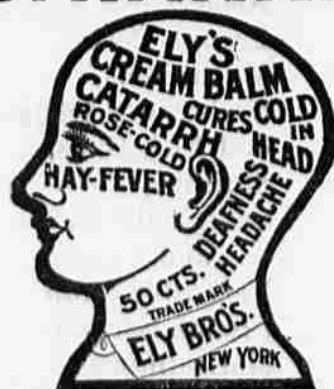

The souvenir is a unique one and has readily appealed to the hearts of the veterans. The handle is a musket of the old pattern. On the stock is a Confederate flag, furled, and on the barrel are engraved the words "United Confederate Veterans." In the bowl of the spoon is a photographic view of Jefferson Davis's home, Beauvoir, around which is engraved "Confederate Home, Beauvoir, Mississippi."

Herb W. Edwards Injured.

Herb W. Edwards, of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared." For sale by W. J. Sedberry.

When the cotton farmers sell their cotton to the spinners before it is planted as the speculators do now, they will be independent and will be the proper kind of American citizens—free men and in truth. —Mineola Courier.

YEARS AGO IN JEFFERSON.

We Shall Give News Under This
Head of Early Days in Jefferson.

From files of Daily JIMPLECUTE of 1867.

January.—We neglect to notice the election of our friend M. K. Sedberry to the sheriffship of this county by a handsome majority in our last. Mike. We congratulate you.—Our old friend C. H. Talley has connected himself with the house of John Henry & Co., New Orleans.—Sloan, the inimitable artist is always on hand at the Lee Gallery.—L. T. Gray was County Judge and J. C. Todd County Clerk.—The boats advertised in this issue were the "Texas," "Starlight," "T. D. Shine," "Live Oak," "Navigator," "Mittie Stephens," and "Caroline."—Great sale of town lots in the city of Jefferson. Most valuable town lots in the city by S. F. Moseley & Co.—W. K. Maberry is offering his steam saw and grist mill at a bargain.—Thanks to the officers of the "Cuba" for late files of New Orleans papers.

June.—We received a heavy mail yesterday from the upper counties—the first in a month. Sanders will receive twenty-five tons of ice by the "Moonsoon," due on Thursday. A very interesting protracted meeting has been going on at the Methodist church in this city since Wednesday.

August.—The first bale of cotton we have heard of was received at Selma, Alabama, on the 13th., which sold for 25 cents per pound.—Dr. J. C. Durrum writes that he was at Belize, Honduras, on the 11th., inst., preparing to go into the interior of the country.—Col. G. W. Seaborn arrived at home yesterday from New Orleans, bringing us files up to the 17th.

The trial of Davis B. Bonfoey for the killing of Col. Fowler, which commenced on Wednesday, the 14th., inst., before Judge H. P. Mabry, closed at 11 o'clock today. The prisoner was committed to jail without the benefit of bail.

The argument was lengthy and able, and was closed by Col. D. B. Culbertson for the prosecution. The Courtroom was crowded to repletion, notwithstanding the terrible heat of the weather.

Nov.—Baptist Minutes.—We are requested to state that the Minutes of Salem Association have been printed and left with Dr. B. J. Terry, of this city. Churches will send for their quota.—F. Merzbacher, our next door neighbor, arrived at home yesterday from St. Louis and the West.—Grasshoppers. The army of grasshoppers that have devastated Western and Northern Texas will be upon us here in a day or so. They were seven miles this side of Dainfield yesterday morning coming South.—We are requested to state that no more pupils will be admitted in the Jefferson Male and Female Academy, the present term, except those engaged.—The weather is as fine as ever known—cool and pleasant—health excellent—rain needed by the farmers, but worse to give us navigation. The boats are seven and eight days from New Orleans to Shreveport. The Caddo brought freights up at \$2.50 per barrel.—Burning of the Steamer Cuba. We learn by dispatch from Capt. Ben. Kouns yesterday evening that the steamer Cuba No. 2, was entirely destroyed by fire near Alexandria, on her up trip a few days ago. We infer that her freight was all lost. Our friend Jas. Hoban was on board. No lives lost.

Not A Sick Day Since.

"I was taken severely sick with kidney trouble; I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Freemont, N. C. writes. Only 50 c. at all Druggist.

One of the greatest railroad cut-offs ever built runs from Columbia Falls, Montana, to Rexford 70 miles. It cost \$3,000,000 to cut it through the mountains and took two years to do it. It is one of the finest pieces of engineering in the United States.

A Better Job.

Judge Parker lost the presidency, but won a \$50,000 a year legal job as the adviser of a great corporation. He is a great lawyer, but a poor sprinter. It is understood that the sage of Esopus is to be general attorney of the Belmont interests, which pays as well as the presidency, only there are no offices to give out. Corporations need the brains of able men, and their managers believe legal laborers to be worthy of their hire.—Dallas Times-Herald.

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," says R. S. Webster & Co., Udora, Ontario, Canada. For sale by W. J. Sedberry.

There are more buffalo in the country than is generally realized.
